Tendering Fundamentals

A course in responding to tenders

Time is money – and writing successful tenders is a part of this philosophy. Winning tenders is critical to the development and life of your business. With the right skills, tools and confidence this course will help your business.

The preparation of tender documents requires attention to detail, a keen eye for reading between the lines and addressing the key client requirements. This course is designed to teach you how to write a tender and how to ensure that your response to the opportunity is strategically written in order to maximise your chances of winning.

Course content and activities include:

- ❖ Understanding the tender process
- ❖ Preparing to tender
- ❖ Bid planning
- ❖ Bid management
- ❖ Tender strategy
- ❖ Preparing your tender response
- ❖ Independent peer review
