## **Basic Contract Administration**

- Is your building business suffering a breakdown in the management of the building contracts?
- Is it due to site information not being passed on to the right people?

Topics covered in the course include:

- **Understanding the Contract**
- The BIG three:
  - Variations
  - Delays
  - Defects
- Communication and Dispute Resolution

Participants are encouraged to bring the contracts they use to the course. This will provide them with a greater understanding of the documents they use and where to find relevant provisions.
