HR Management - Understanding the Basics

Understanding and dealing with Human Resource issues can be one of the biggest challenges faced by many business owners. Making strategic decisions in situations such as termination or redundancy can be a major problem particularly when the employer has very little knowledge or experience when dealing with such complex matters.

This half-day training brought to you by Horizon HR will look at some of those HR problems that employers face regularly. The training will provide you with that basic HR knowledge so you can manage complex HR situations in the future more effectively.

Topics covered in the course include:

- Contracts of Employment – Do we really need them?
- Policies and Procedures – Why bother?
- Am I in the Federal System or State System?
- What Awards do my employees actually come under?
- Overtime & Penalty Rates
- Termination of Employment
- Redundancy procedures
