

UNDERSTANDING FINANCIAL STATEMENTS

WHY ATTEND?

The course provides an insight into the financial statements for a small to medium size construction business. This course will be beneficial for the business owners, managers and family members working in the small to medium size businesses.

WHAT WILL YOU LEARN?

- Understanding your P & L; Balance Sheet
- Setting the bottom line that you want
- Analysing the financial statements to determine the leaks that need addressing to improve the bottom figure
- Identify the components of revenue and how each impact on the business
- Budgets – How can a budget help?
- What the profit needs to cover?
- Understanding Equity & Insolvency
- How can you reduce liabilities tax effectively?
- Is your current entity right for you? Understanding the ramifications of each type of entity
- Do I need a Business Plan? Discuss the basics of a business plan

A Certificate of Attendance will be awarded by Master Builders WA.
